E-mail

Please now:

- **Number the discs** then wrap each of them in paper kitchen towel
- Do not send individual Perspex CF2 disc cases as these can shatter in the post
- To keep within UK Large Letter thickness limit, pack in two's in a large envelope
- Put the disc pack between pieces of card or in an old (card) ribbon/disc box
- Put this form with the disc pack in a padded envelope & mail to address above
- If you want your discs back after, *please also include a self-addressed label*
- Note that the quantity discount is only applicable to error-free discs
